

## COATESVILLE AREA SENIOR HIGH SCHOOL 2023

### FLEXIBLE INSTRUCTION DAY (FID) GUIDELINES (GRADES 6-12)

The early release schedule will be used for classes. Each class is 33 minutes long (please see below as a reference)

#### INSTRUCTION:

1. Students must log into the zoom site for attendance at the start of each class and for the beginning of teacher instruction.
2. All work has to be posted on Canvas for the students to access the days' work.
3. The teacher provides instruction and then the students start to complete independent work. The teacher can meet with breakout groups for added support and also allow for independent work to be completed online if students request to stay in the session.
4. At the end of the period the students send the teacher the completed work.

**\*\*Reminder - Students must log in to each class for the day and that the purpose of a FID day is to avoid a snow day that may have to be made up on another day off (Ex: President's Day weekend).**
