

1:1 Student & Parent/Guardian Agreement

Coatesville Area School District

3030 C G Zinn Road, Thorndale, PA 19372 (610) 466-2400

The Coatesville Area School District recognizes the importance of providing a technology-rich learning environment. The 1:1 program provides our students the appropriate technological tools necessary to access educational materials both inside and outside the classroom. Each student will have a Chromebook and HotSpot assigned to them for the school year and the ability to take the devices home. The guidelines in this handbook are necessary to protect the students, the devices and the school's network and must be followed to ensure this technology serves as an effective instructional tool. Failure to comply with the guidelines may result in disciplinary action and/or legal action.

Parent/Guardian:

- I have read and understand the 1:1 Handbook and agree to follow all rules and expectations regarding the use and care of the devices.
- I understand and accept financial responsibility should my child's device be damaged by negligence or vandalism.
