

What should my child be doing to get ready for online learning?

Virtual learning begins April 14th.

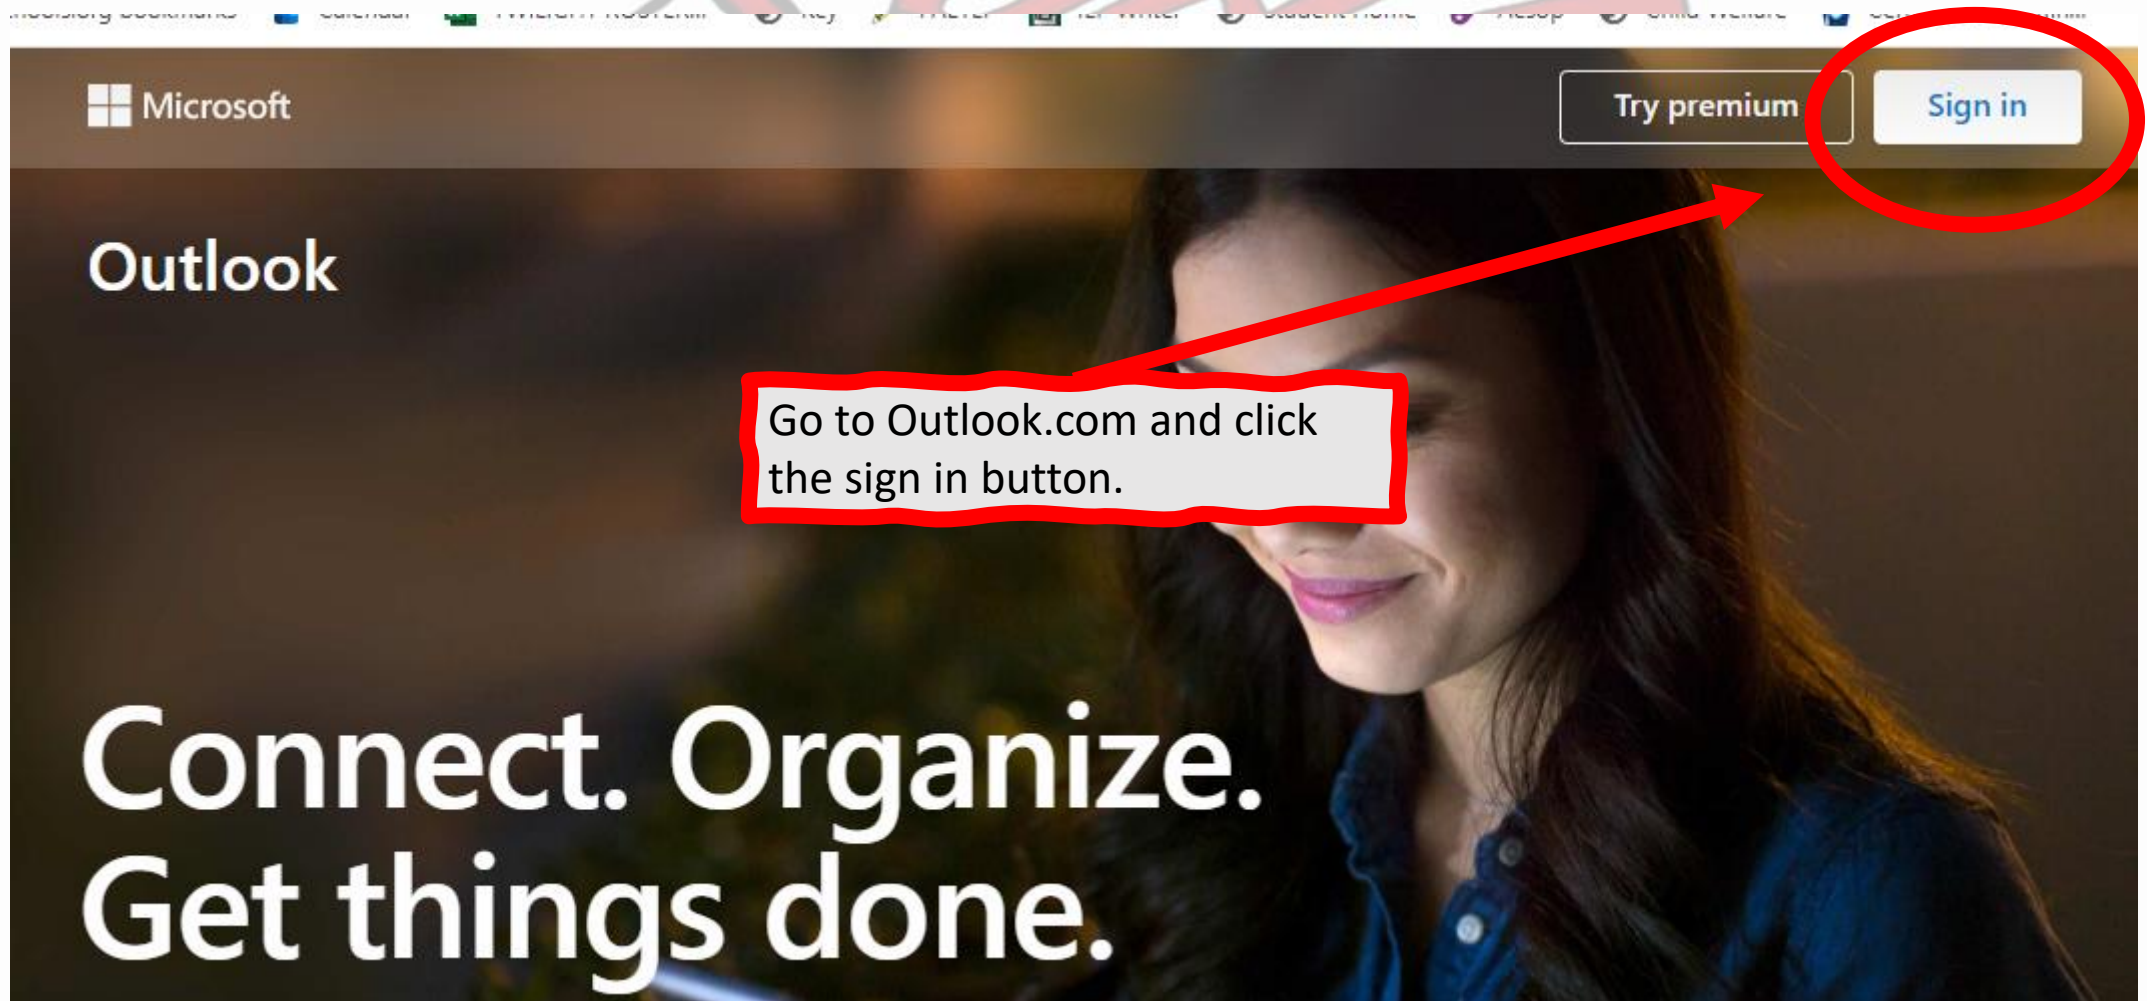

We suggest doing 2 things before April 14th

- Students should
 - Log in to their School District email
 - Log in to BSD
- The following slides will take you through this process
- If your child does not know their password to log into the Chromebook, please, email ithelpdesk@casdschools.org to have it reset.

1. Log Into Their Email

- All students now have a CASD Schools Email.
- Their email is their StudentID@casdschools.org
 - For Example 1234567@casdschools.org
- The next slide will show you how to access their email. I suggest setting the website up as a bookmark on their Chrome Bookmark bar.
 - Directions are at the end.

How to Access Their Email

The image shows a screenshot of the Outlook.com website. At the top left, the Microsoft logo is visible. In the top right corner, there are two buttons: "Try premium" and "Sign in". The "Sign in" button is circled in red. A red arrow points from a text box to the "Sign in" button. The text box contains the instruction: "Go to Outlook.com and click the sign in button." Below the navigation bar, the word "Outlook" is displayed in large white text. At the bottom, a woman is shown looking at a device, with the text "Connect. Organize. Get things done." overlaid in large white font.

Microsoft

Try premium

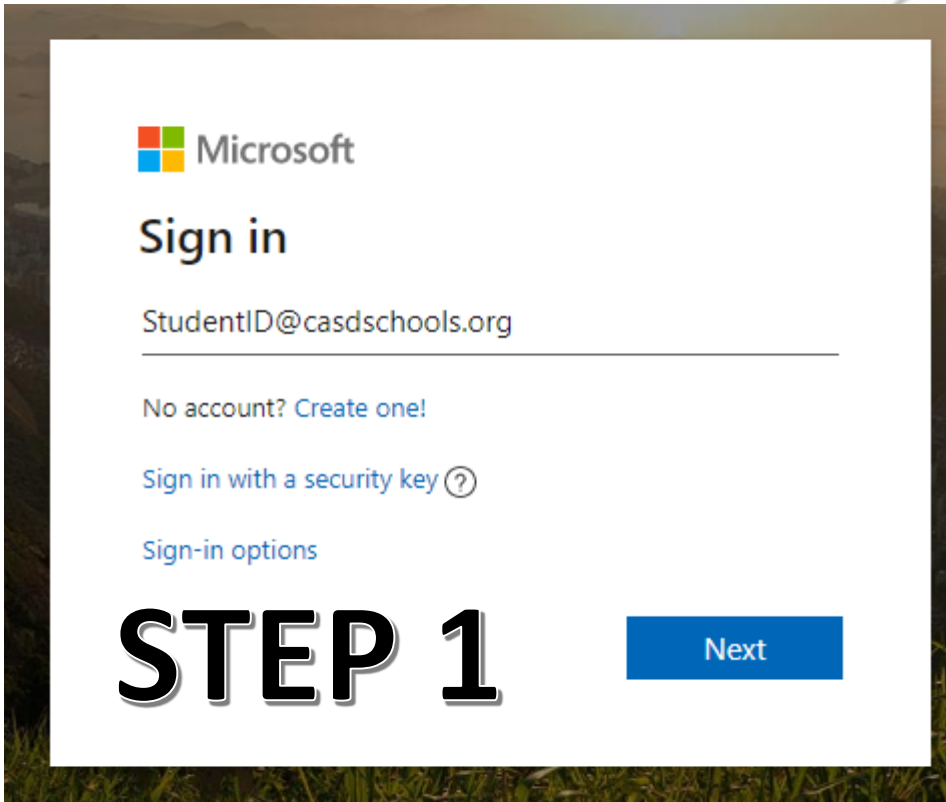

Sign in

Outlook

Go to Outlook.com and click the sign in button.

Connect. Organize.
Get things done.

STEP 2

A few email tips to share with your child

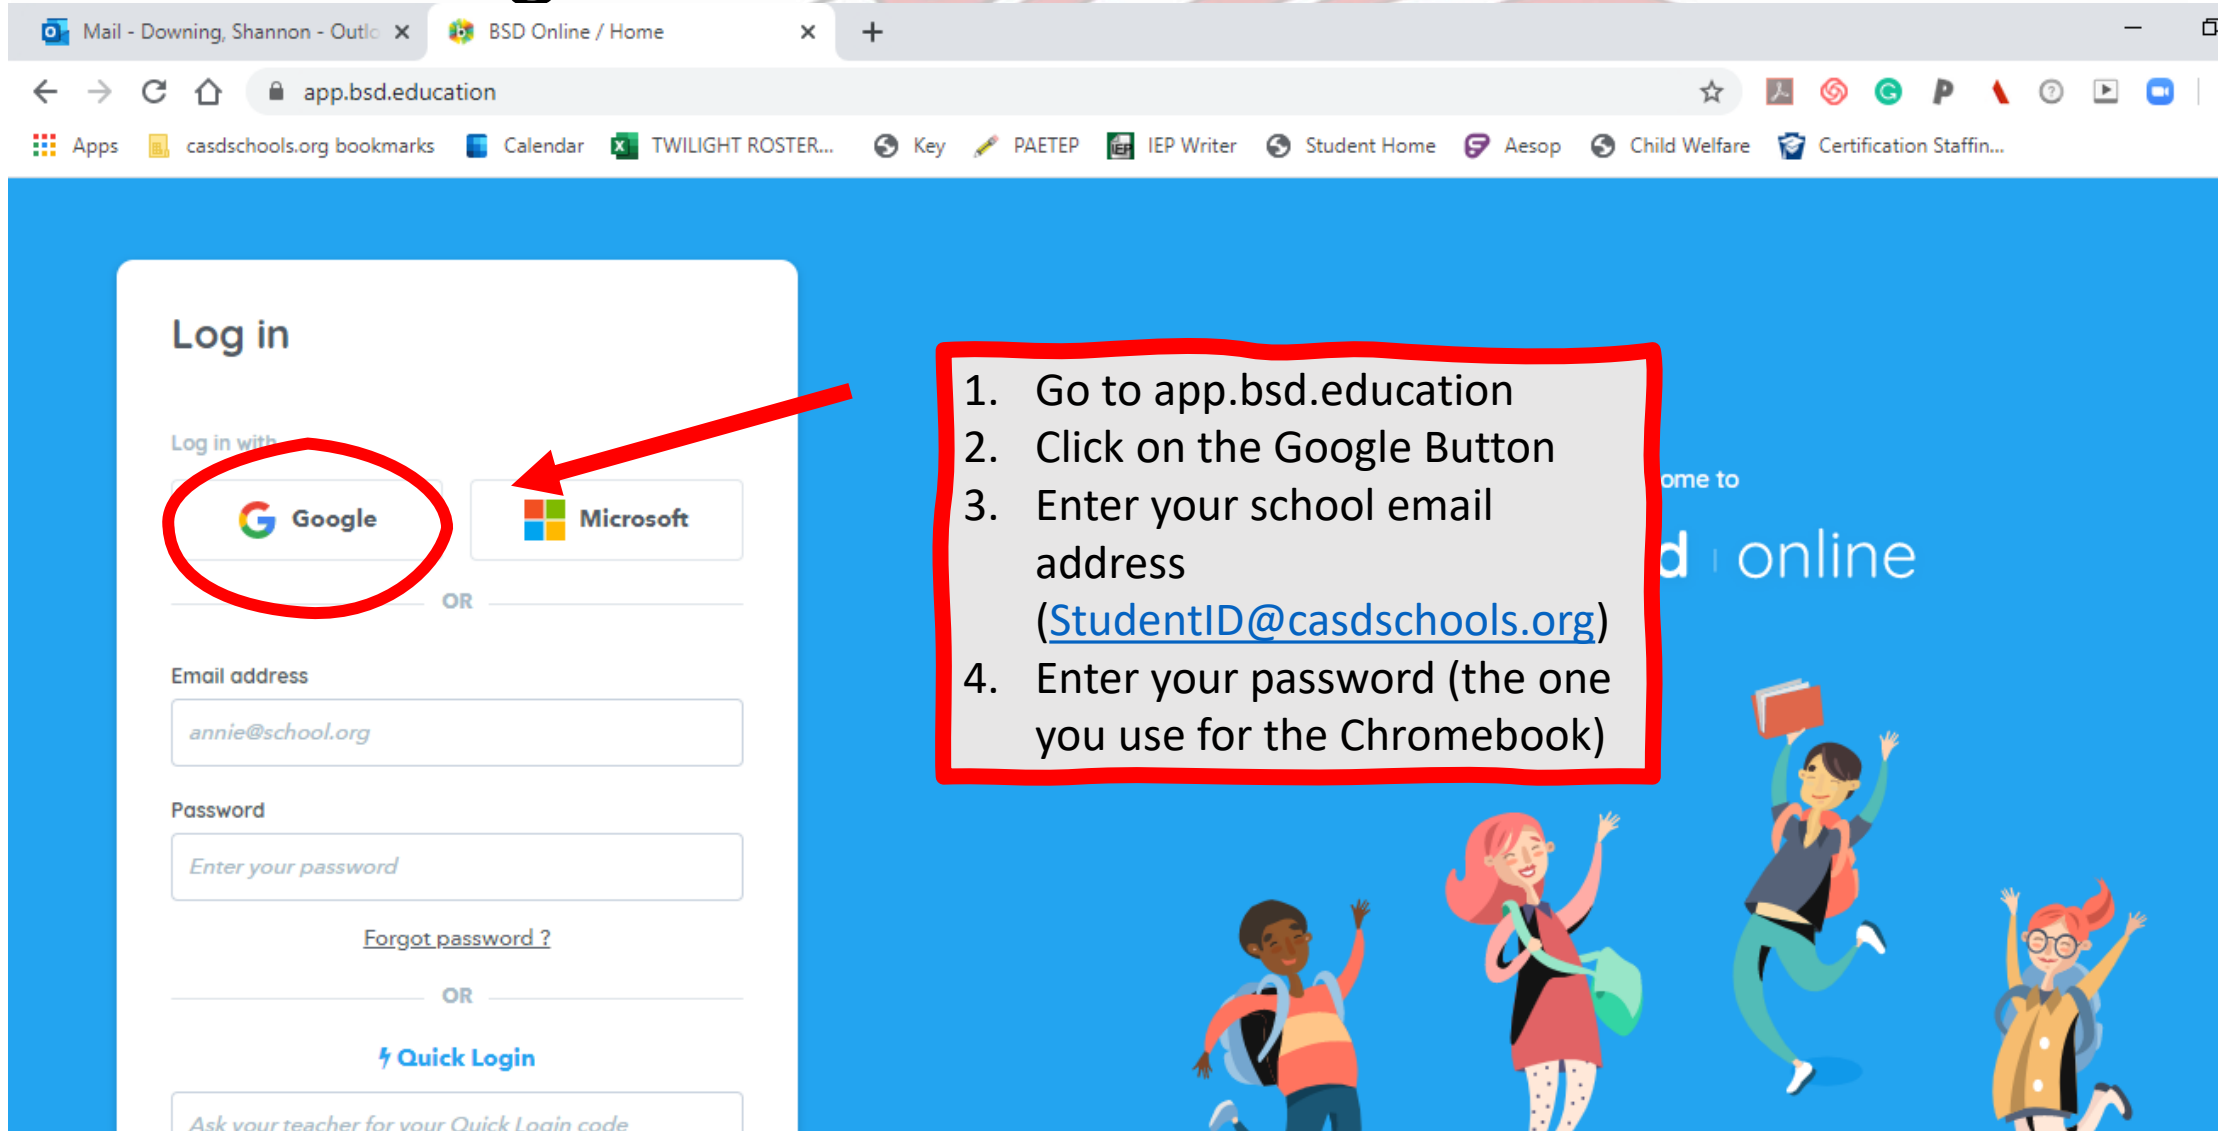

- Do not give out your passwords to anyone
- Send only emails you want your parents/guardians to see
- All emails from teachers will come from their CASD accounts
- Include your name at the bottom of the email

2. Log into BSD

- BSD is a platform we are using for students to be able to see all their classes in one place.
 - From there teachers can have students use other websites to get material
- Your child should log into BSD every day and click into every classroom to see if there are new assignments.
- Teachers will use BSD log in information for attendance

How to Log In to BSD

The screenshot shows a web browser window with the URL `app.bsd.education`. The page features a "Log in" section with two options: "Log in with Google" and "Log in with Microsoft". The Google button is circled in red, and a red arrow points from a text box to it. The text box contains a four-step instruction list. Below the login options are fields for "Email address" (containing `annie@school.org`) and "Password" (with a placeholder `Enter your password`). There is also a "Forgot password?" link and a "Quick Login" button. The background of the page is blue with illustrations of children.

Log in

Log in with

 Google

 Microsoft

OR

Email address

`annie@school.org`

Password

`Enter your password`

[Forgot password ?](#)

OR

 Quick Login

`Ask your teacher for your Quick Login code`

1. Go to `app.bsd.education`
2. Click on the Google Button
3. Enter your school email address
(StudentID@casdschools.org)
4. Enter your password (the one you use for the Chromebook)

How do I add them to the bookmark bar?

We suggest adding both the email and BSD to your child's bookmark bar so when they open chrome they can easily click on both websites.

1. On the address bar, click the star.

2. An Edit bookmark box will appear. Make sure it says Bookmarks bar in the Folder box.

3. Click Done.

4. Now it should appear on the bookmark bar.

Mail - Downing, Shannon - Outlo x BSD Online / Classrooms x +
